

Dear Member,

Following the government's announcement 17.03.20 around the COVID-19. All officials of the NCDTA have reviewed the government guidance provided and have made the difficult decision to suspend ALL Examinations, Competitions and Events across the country. A further review of all Officials will take Friday 3 April 2020.

Please keep checking our websites and social media channels for updates.

The General Office will be open as normal.

The health and wellbeing of the NCDTA dance community is paramount. These are difficult times, we thank you for your understanding.

We will endeavour to answer your questions as best we can, however please keep in mind that we must take guidance from the government.

Please keep safe, and look after each other.

Any questions please email: [secretary@ncdta.com](mailto:secretary@ncdta.com)

Thank you,  
NCDTA.
